## **Media Release**

### **Names of Fatality Victims Released from Yesterday's Incident in Fallon**

The names of both motorists killed in Fallon on the morning of Thursday, June 2, 2011 are being released today as family members of the involved have been notified.

75-year-old Walter A. Summers of Richland, Missouri, was killed when the gold Hyundai 4-door sedan he was driving was struck by a gold colored Chrysler PT Cruiser driven by Eric J. Allen, 22 of Peyton, Colorado. Allen was traveling north on Highway US 95, within the city limits of Fallon, as he was attempting to elude law enforcement officers. Mr. Summers sustained fatal injuries as a result of the collision while Mr. Allen exchanged gunfire with the law enforcement officers after the crash. Allen died a short time later at the scene and his exact cause of death will not be known until the autopsy report from the Washoe County Medical Examiner's Office is completed.

The Department of Public Safety-Investigation Division and the Washoe County Sheriff's Office-Forensic Investigation Center are in charge of investigating this tragic event.
