Media Release

Special Olympics Nevada 5th Annual Tip-A-Cop April 14th, 2011 at the Town Square Claim Jumper in Las Vegas

You are in for a real treat!

On **April 14, 2011**, you'll get great service with a smile....and a badge!

From **5:00 pm to 9:00 pm**, local Law Enforcement Officers are trading their handcuffs and citation books for menus and serving trays. Local Law Enforcement Officers are working side-by-side with the Claim Jumper servers to raise money for *Special Olympics Nevada*. If you choose to leave a 'special tip' in addition to your regular server's tip, 100% of your donation will benefit the athletes of Special Olympics Nevada!

Donations make it possible for the nearly *4,000 Special Olympics Athletes* in Nevada to participate in 11 different Olympic-type sports (Aquatics, Basketball, Bocce, Bowling, Golf, Power Lifting, Soccer, Softball, and Track & Field).

It costs approximately \$250.00 to send each Special Olympics Athlete to a State Competition. Athletes that participate, benefit from physical fitness increased motor functions, building friendships, involvement, and an opportunity to show their abilities to the community.
