Troopers Dispatched to a Call Involving Subject Holding Knife on RTC Bus

This morning at approximately 6:22 am, troopers from the Nevada Highway Patrol were dispatched to a call involving a Regional Transportation Commission or RTC bus that was stopped on the shoulder of southbound US 395 near the Bellevue Road interchange in Washoe Valley.

Troopers responding to the call were told that an unruly male subject had caused some sort of disturbance on the moving intercity bus that was inbound to Carson City from Reno. We were told that the subject had also displayed a knife. A sergeant with the Nevada Highway Patrol based in Carson City arrived on scene first followed by other NHP troopers and deputies from the Washoe County Sheriff's Office. The male subject was taken into custody without incident and detained.

After speaking with the bus driver and other passengers riding on the bus, it was determined that an assault had taken place on the bus. The subject was placed into a WCSO vehicle and transported to the Washoe County Detention Facility where he was booked by their agency.

For his name and the list of charges, please contact Deputy Armando Avina, public information officer for the Washoe County Sheriff's Office.
