## **Media Advisory**

### **Update: Man Dies in Head-on Accident Eight Miles South of Gardnerville**

On Wednesday July 27, 2011, at approximately 11:14 am, troopers from the Nevada Highway Patrol were dispatched to a three vehicle collision on US 395 South of Gardnerville.

The preliminary crash investigation details indicate that a commercial vehicle was traveling southbound on US 395. For unknown reasons the commercial vehicle with a male driver crossed over the centerline, striking the front of the silver ford truck towing a trailer that was traveling northbound. The trailer then broke loose from the silver ford truck swinging around and striking a white ford truck that was also traveling southbound. The driver of the commercial vehicle was pronounced deceased at the scene.

The male occupant of the silver ford truck and trailer was transported from the scene, and flown to Renown Regional Medical Center by Care Flight with moderate injuries. The female occupant sustained minor injuries and was treated at the scene. The male and female occupants of the white ford truck were treated at the scene for minor injuries. Once the next of kin has been notified we will be releasing the name of the male driver.

**UPDATE: Washoe County Coroners office has released the name of the driver as Terry Lyn Elmer a 46-year-old Gardnerville resident.**

Witnesses to the event or anyone with additional information are encouraged to call the Department of Public Safety-Communications Center at (775) 687-0400 regarding case # NHP 1107270862.
