Vegas Man Dies in Motorcycle Crash in Pahrump

On Tuesday, July 19, 2011 a Gray Harley Davidson Motorcycle was traveling westbound on C.A.A.S Road, east of Lake View Drive, in the #1 westbound travel lane.

The driver failed to negotiate a curve to the left, allowing the motorcycle to leave the north roadway edge and enter the unimproved dirt/gravel shoulder. The driver failed to keep the motorcycle upright as it rotated counterclockwise and fell on its right side. The driver separated from the motorcycle and struck the concrete sidewalk, north of the roadway edge. The motorcycle came to rest on its left side, facing north, in the landscaped area, north of the concrete sidewalk.

The operator of the motorcycle, a forty-one (41) local male, sustained fatal injuries as a result of the crash. He was wearing a helmet and preliminary investigations show that alcohol may have been involved.
