Vehicle Accident US 50 East of Airport Road

On March 26, 2011 at approximately 0915 hours, Nevada Highway Patrol Troopers were dispatched to a vehicle accident on US 50 East of Airport Road.

Preliminary crash investigation details indicate that a white Chevrolet Truck driven by David Lee Easlick a 72-year-old Carson City resident was traveling westbound on US 50. For reasons to still be determined the vehicle veered to the left crossing the eastbound lanes leaving the roadway into a private drive. The vehicle continued through a fence traveling in an asphalt parking lot, and then striking four vehicles that were parked unoccupied in front of a motel, coming to rest on its wheels. Mr. Easlick was transported by ground to the Carson Tahoe Hospital. A medical condition is being looked at that may have been a contributing factor.

Anyone who may have witnessed the collision, or who can provide additional information, is encouraged to contact Trooper Scott Morron at the NHP Carson City substation @ (775) 687-7380 or the Department of Public Safety-Communications Center @ (775) 687-0400 regarding case # NHP-1103260308.
