

## *A Proclamation by the Governor*

WHEREAS, we recognize the vital role that technology has in our daily lives and in the future of our Nation, whereby today many citizens, schools, libraries, businesses and other organizations use the Internet for a variety of tasks, including keeping in contact with family and friends, managing personal finances, performing research, enhancing education and conducting business; and

WHEREAS, critical sectors are increasingly reliant on information systems to support financial services, energy, telecommunications, transportation, utilities, health care, and emergency response systems; and

WHEREAS, the use of the Internet at the primary and secondary school levels in Nevada enhances the education of youth by providing them access to online educational and research materials; and at institutions of higher education, the use of information technology is integral to teaching and learning, research, and outreach and service; and

WHEREAS, Internet users and our information infrastructure face an increasing threat of malicious cyber attack, loss of privacy from spyware and adware and significant financial and personal privacy losses due to identity theft and fraud; and

WHEREAS, the State of Nevada Cyber Security Committee, comprised of state, county, and local governments, is working collaboratively to build effective solutions within this State; and

WHEREAS, the State of Nevada, Office of Information Security, provides a comprehensive approach to help enhance the security of this State; and

WHEREAS, under the leadership of the Governor, the collaboration of the cyber security and emergency management professionals in the State provide a foundation for future programs to insure a cyber safe Nevada; and

WHEREAS, the Multi-State Information Sharing and Analysis Center provides a collaborative mechanism to help state, local, territorial and tribal governments enhance cyber security; and Nevada provides a comprehensive approach to help enhance the security of this State; and

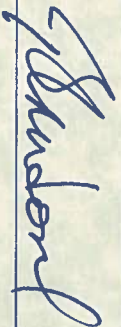

WHEREAS, maintaining the security of cyberspace is a shared responsibility in which each of us has a critical role, and awareness of computer security essentials will improve the security of Nevada information infrastructure and economy; and

WHEREAS, the U.S. Department of Homeland Security, the Multi-State Information Sharing and Analysis Center, the National Association of State Chief Information Officers, and the National Cyber Security Alliance have declared October as National Cyber Security Awareness Month; and all citizens are encouraged to visit these sites, along with and Stop.Think.Connect to learn about cyber security; and put that knowledge into practice in their homes, schools, workplaces, and businesses.

NOW, THEREFORE, I, BRIAN SANDOVAL, GOVERNOR OF THE STATE OF NEVADA, do hereby proclaim October 2012 as

Cyber Security Awareness Month in Nevada

*In Witness Whereof*, I have hereunto set my hand and caused the Great Seal of the State of Nevada to be affixed at the State Capitol in Carson City, this 29th day of September, 2012.
