### ***NHP Investigators Would Like to Speak to Other Motorists Who May Have Witnessed the Fatal Rollover Crash on Interstate 80 near Lovelock on Wednesday***

NHP Trooper Kris Satterwhite is still investigating the tragic rollover crash that happened on Interstate 80 this week on Wednesday afternoon near mile marker 90 at approximately 1:45 pm.

Several witnesses have contacted him stating that two large commercial motor vehicles were also seen traveling east bound in the same area when the 4-door Honda departed the freeway and rolled over. One of those vehicles was described as a white tractor-truck pulling a set of two (double) trailers. Trooper Satterwhite would like to speak to both of those drivers.

We are asking trucking companies to review their drivers' trip reports or log books to see if one of their drivers may have been one of the trucks in the area on Interstate 80 at the time of the crash.

If anyone witnessed any type of unusual driving patterns at the time of the crash, regardless of how insignificant they may appear to be, please contact Trooper Satterwhite at (775) 689-4682 or e-mail at [ksatterwhite@dps.state.nv.us](mailto:ksatterwhite@dps.state.nv.us) regarding case number NHP-120425527.
