NHP to Recognize Four Employees for Accomplishments and Accolades during 2011 and will also Present the Local Chapter of the American Red Cross with an Award

The senior leadership of the Nevada Highway Patrol will be honoring and recognizing four employees for their demonstrated performances that earned each person a *2011 Employee of the Year* award. These four employees excelled in their particular work area in job performance, leadership and work ethics.

Additionally, the American Red Cross Northern Nevada Chapter will be receiving an appreciation award for their gracious efforts, actions and timely response to the fatal collision involving a commercial motor vehicle and Amtrak passenger train last June in Churchill County. The annual award ceremony, normally scheduled to take place every January, was delayed as one of the employee's was off on extended medical leave and recently returned back to work. The specific accomplishments of each employee will be read at the ceremony when their award is presented.

We would like to extend an invitation to our media outlets to attend the event.
