Nevada Division's Emergency Management's Summary Report for Wildland Fire Awareness Week

1. Names of all the partnering agencies or entities

Nevada Division of Emergency Management/Homeland Security (NDEM)

2. Details such as what you did, how many people participated or were reached etc.

- Dissemination of Living with Fire posters in the Carson City/Dayton to 20 plus locations
- Living with Fire press release posted to the Department of Public Safety and the Division of Emergency Management's home page.
- Six posts on NDEM's facebook page and twitter.
- Awareness tips sent out in the Daily Situation Report from April 28 to May 5.
- NDEM's State of Nevada Public Assistance Officer attended the Fire Awareness Program at Galena High School on Tuesday, May 1, 2012. NDEM set up a display alongside of Washoe County Emergency Management, Red Cross, Nevada Cooperative Extension Service, City of Reno Fire Department, Washoe County CERT, Sierra Fire Protection District, North Lake Tahoe Fire District, Sierra Front, Washoe County Search and Rescue and Washoe County School District. Approximately 95 people from the local area participated in the event. A two hour presentation and information exchange was presented by various agencies on the subject of fire awareness and prevention. In addition to discussing what to do after the fire; information was distributed about the need to prepare for any and all hazards, particularly earthquakes and flooding.

3. Where did this take place (community name, county, etc.)

Galena High School in Reno, Nevada

4. Date of the event/activity

Tuesday, May 1, 2012 the Fire Awareness Program

5. Feedback

Residences attending the event at Galena High gave positive feedback and appreciation for the event and inquired about similar events in the future.
