## **Media Advisory**

### **One Dead and Three Injured in Single Vehicle Rollover on US-95**

On Saturday, April 7 2012, at approximately 5:04am, Troopers from the Nevada Highway Patrol were dispatched to a single vehicle rollover on US 95 at mile marker 53 in Nye.

The preliminary investigation reveals that a blue 2005 Dodge Pick-up was northbound on US-95 near mile marker 53 Nye when it drifted left, crossing the southbound lane and west paved shoulder.

The Dodge entered the improved dirt shoulder area, west of US-95, where it corrected right. The Dodge then overcorrected left going into a broadside skid. The right side tires furrowed-in, causing it to overturn.

The male driver, 61 year old Gerald Tanner of Pahrump, NV was pronounced dead at the scene by Nye County Deputy at 0802 hours on April 7, 2012.

Three passengers were transported from the scene to University Medical Center Trauma by Mercy Air helicopter with multiple injuries due to the rollover.
