Troopers Monitoring the Roadways Keeping Graduates Safe

The Nevada Highway Patrol will have extra Troopers working this graduation weekend in the Elko/Spring Creek area to reduce accidents and save lives.

“Our goal is to have our graduating seniors be accident and alcohol free and make good decisions while driving this weekend,” says Lt. Merschel with the NHP.

NHP will be working State Route 227 around Spring Creek High School on June 1, graduation day, looking for DUI and traffic violations. We will deploy our radar trailers and sign boards to educate motorists on safe driving.
