The Nevada Highway Patrol, along with ten other state agencies is participating in the I80 Challenge. There is approximately 2,900 miles of Interstate that runs from California to New Jersey. There will be an increase in law enforcement presence on I80 from July 24th through July 30th. The challenge is to have Zero Fatalities on I80 across the country.

The Nevada Highway Patrol would like to urge motorists to use extra caution. Please have all occupants buckle up, drive safely and remember Zero Fatalities for Nevada.
