The Nevada Department of Public Safety (DPS) and all law enforcement agencies statewide take all direct and indirect threats very seriously and will continue to be proactive with security and enforcement strategies.

As a precautionary measure, the DPS is collaborating with federal officials to monitor and implement additional safety efforts after today's tragic event in Boston.

As a reminder if you "See Something, Say Something". Contact the Nevada Threat Analysis Center at 775-687-0450, <http://dps.nv.gov> or the Southern Nevada Counter Terrorism Center at 702- 828-7777, <http://snctc.org> to report suspicious activity.
