### Media Release

#### **IR 580 & IR 80 Temporarily Closed After Rollover Accident**

On Thursday, February 20, 2014 at approximately 8:15 am, Troopers from the Nevada Highway Patrol were dispatched to a single-vehicle crash that happened on the transition ramp from northbound I-580 to eastbound Interstate 80 in Reno.

The preliminary crash investigation details indicate a black 2012 Chevrolet driven by Brian Kleidostu a Reno resident, drifted off the left roadway edge of the freeway ramp, where it struck the Highway attenuator causing the vehicle to roll over. The vehicle came to rest on the concrete barrier and no other vehicles were involved.

REMSA and Reno Fire Department personnel arrived on scene very quickly and Mr. Kleidostu was transported to Renown Regional Medical Center for minor injuries. A male passenger in the vehicle was transported to the hospital with non-life threatening injuries. Alcohol could be a contributing factor to the accident.

The crash caused the temporary closure of the affected ramp while the accident was investigated and the Department of Transportation made repairs to the attenuator.

Witnesses to the event or anyone with additional information are encouraged to call the Department of Public Safety-Communications Center at (775) 687-0400 regarding case # NHP 140201705.
