FRAUD ALERT – RMZ Fire Safety

The Nevada Department of Public Safety, State Fire Marshal Division is currently investigating incidents occurring in Nevada where a company representing themselves as “RMZ Fire Safety” out of Las Vegas is allegedly sending invoices to companies requiring payment for \$413.11 for an “Annual State Required Fire Safety Equipment Inspection, Test and Certification”. The State Fire Marshal licenses all fire protection companies in Nevada and has no record of this company applying for licenses here.

Remember that you should always ask for a State Fire Marshal License number prior to authorizing any contractor to work on your fire safety systems. If you have any questions or believe something with a fire protection contractor does not seem right, contact us immediately.

If you or someone you know has been invoiced by this company or has any other relevant information please contact Lieutenant. Mike Dzyak, Investigation Chief for the Nevada State Fire Marshal Division.
