Media Release

The 2014 Annual Street Vibrations Motorcycle Rally is Set for September 24th -28th

The 2014 Street Vibrations motorcycle rally is scheduled for September 24th through September 28th. The primary events will be located in Reno and Sparks but other events are scheduled in Carson City, Virginia City and Lake Tahoe. 2014 is the 20th year for the Street Vibrations event and organizers are expecting between 50,000 and 100,000 participants. With the influx of visitors to the area, the number of traffic related issues are expected to increase.

The Nevada Highway Patrol is prepared to respond to accidents and incidents as they arise. The NHP will also be assisting allied agencies as requested and to proactively identify and address evolving traffic issues to try and prevent collisions and ensure safe highway conditions for the motoring public.

The Nevada Highway Patrol is prepared to add extra patrols throughout the Reno-Sparks and surrounding areas that will host events associated with Street Vibrations. The Nevada Department of Transportation (NDOT) will be utilizing the permanent reader board signs on I-80 westbound at Vista Boulevard and I-80 eastbound at Mogul advising motorists of congested traffic, safety tips, alternate routes and temporary road closures.

The Nevada Highway Patrol is urging all motorist; resident and visitors to use extra caution during the Street Vibrations events. Use caution when sharing the highway with more motorcycles than usual. As for the motorcyclists know the laws as they pertain to motorcycles. Be safe and always take a second look before pulling out into traffic.
