Econoline Van Involved in Rollover Accident Kills One Passenger

On Sunday, February 22, 2015 troopers with the Nevada Highway Patrol responded to a single rollover accident on northbound Interstate 15/ westbound Interstate 215 ramp around 9:09 p.m.

Preliminary investigation revealed that a white Ford E350 Econoline van with 10 occupants was traveling westbound on the northbound IR15/Westbound IR215 interchange ramp, approaching westbound IR215.

The driver of the van was traveling too fast for the wet roadway conditions and lost control of the van. The van rotated, leaving the south roadway edge and traveled up a concrete embankment and overturned.

The second row left side female passenger of the van who was restrained at the time of the crash, was identified as 48 year old Sheila Williams, from Las Vegas, NV and was pronounced deceased on scene by Clark County Coroner Investigator Dubasik. The remaining 9 occupants including the driver were transported to UMC trauma.
