#### **Henderson Man dies after Collision on SR 160**

On Sunday, July 19, 2015, at approximately 10:01 a.m., Troopers from the Nevada Highway Patrol were dispatched to accident on State Route 160, Blue Diamond.

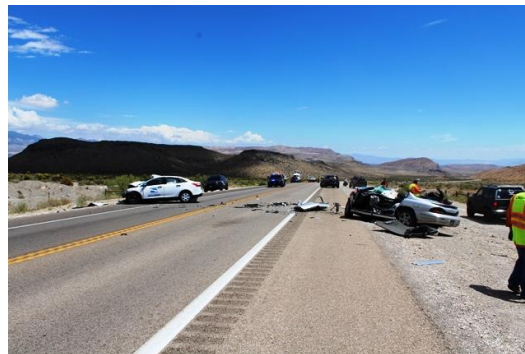

The preliminary crash investigation revealed that a silver Pontiac Bonneville was traveling westbound on SR160. A white Ford Focus was traveling eastbound on SR160 approaching the Pontiac. In an apparent effort to pass slower vehicles, the driver of the Pontiac steered into the eastbound travel lane causing the front of the Pontiac to strike the front of the Ford.

The 24 year old female driver of the Pontiac sustained serious injuries and was transported to University Medical Center (UMC) trauma. The 16 year old driver of the Ford sustained minor injuries and was also transported to UMC trauma.

The right-front seat male passenger of the Ford was identified as 61 year old Patrick Denley from Henderson, NV. Denley succumbed to injuries sustained in the crash and was pronounced deceased at the scene.

This marks Nevada Highway Patrol-Southern Command's 40th fatal crash for 2015.
