Las Vegas Man Dies in Rollover after being Ejected

On Saturday, August 15, 2015 at approximately 6:10 a.m. NHP Troopers were dispatched to a accident on Interstate 15 in Clark County.

The preliminary crash investigation revealed that a 1999 silver Dodge Durango was traveling northbound on IR15 approaching mile marker 104 in the right travel lane. The driver allowed the right side tires of the Durango to leave the right roadway edge. The driver then over corrected to the right causing the Durango to rotate off the right roadway edge and overturn. The unrestrained driver was ejected from the Durango.

The 57 year old male driver from Las Vegas, NV succumbed to injuries sustained in the crash and was pronounced deceased on scene by Clark County Coroner Investigator Clegg.

This marks Nevada Highway Patrol-Southern Command's 43rd fatal crash for this year.
