#### **NHP Still Searching for Suspect Vehicle in US 395 Cold Springs Fatal Motorcycle Hit & Run**

The Nevada Highway Patrol continues to search for a vehicle and suspect involved in a possible hit and run, fatal crash that happened on July 11, 2015 at approximately 12:06 pm. The investigation details that a black 2007 KTM sport bike ridden by 51 year old Stephen L. Hobbs of Reno, was traveling northbound on US 395. Witnesses indicate a silver Subaru WRX also traveling northbound, struck the sport bike causing it to overturn and eject Mr. Hobbs, who later died because of his injuries.

Troopers are searching for a silver 2010 or newer Subaru WRX that may or may not have left front/left side damage. The Subaru will have traditional Nevada Sunset license plates.
