#### **Results of the Shop for a Teacher School Supply Drive in Fernley Nevada**

On Saturday, August 8, 2015 the Nevada Highway Patrol, along with Lyon County Sheriff's Office, North Lyon Fire Protection District and the Lyon County School District held a Supply Drive to help support local schools around the Fernley area. This Event was held at the Fernley Wal-Mart from 10am to 5pm and we could not be happier with the results.

Troopers Mark Fox and Bob Gemmel were among those participating in the event. No dollar amount was placed on the amount donated, but with the local support of the Northern Nevadans, we were able to stuff 11 shopping carts completely full of items needed. These items ranged from backpacks and lunch boxes, to flash drives and hand sanitizer, all of which are going directly to local area schools.

This Event was so well received by locals that efforts will be made again for this program next year.
