### Media Release

## Two Vegas Residents Ejected in Single Vehicle Rollover

On August 2, 2015 at approximately 7:28 pm, Troopers from the Nevada Highway Patrol were dispatched to a single vehicle rollover on Interstate 15 in Clark County.

The preliminary crash investigation reveals that a red Ford F-150 towing a travel trailer was traveling northbound on IR15 approaching mile marker 61 in Clark County. The driver lost control and the F-150 entered the right shoulder of IR15. The driver steered left to correct and the travel trailer overturned. The F-150 with the travel trailer still attached continued to travel across the roadway and entered the dirt median where the F-150 also overturned. All occupants of the Ford F150 were from Las Vegas.

The unrestrained 35 year old male driver and the unrestrained 36 year old female right front passenger were ejected from the F-150 and transported to UMC with critical injuries. The male driver succumbed to injuries sustained in the crash and was pronounced deceased at UMC at 10:45pm. The female passenger remains in critical condition. The unrestrained 17 year old male who was seated in the left rear was also transported to UMC with serious injuries.

This marks Nevada Highway Patrol-Southern Command's 41st fatal accident for this year.
