Las Vegas Man Killed in Interstate 215 and Summerlin Parkway

On Wednesday, April 13, 2016 at approximately 2:01 a.m. Troopers from the Nevada Highway Patrol were dispatched to a crash on Summerlin Parkway and Interstate 215 overpass.

The preliminary crash investigation revealed that a black Mercury Grand Marquis occupied by a male driver was traveling westbound on Summerlin Parkway approaching the Summerlin Parkway/IR215 overpass. The driver failed to maintain his travel lane and went off the roadway to the right striking a traffic sign.

The vehicle continued westbound striking the right concrete bridge retaining wall. The vehicle then overturned and descended from the overpass landing on its roof on the northbound IR215 travel lanes. The restrained driver was pronounced deceased on scene.

The male driver was identified as 19 year old Anthony Viola from Las Vegas, NV

This marks the Nevada Highway Patrol-Southern Command's 23rd fatal crash resulting in 24 fatalities for 2016.
