#### **Motorcyclist from Vegas Killed in Crash on Interstate 15**

On Saturday, April 2, 2016 at approximately 7:50 a.m. Troopers from the Nevada Highway Patrol were dispatched to an accident on southbound Interstate 15 north of Spring Mountain.

The preliminary crash investigation revealed that a black Harley Davidson motorcycle was traveling southbound on IR15 north of Spring Mountain in the right travel lane. The rider failed to maintain his lane to the right and entered the west paved shoulder. The right foot peg began to strike the ground. The right front of the motorcycle then struck the west sound barrier wall causing the motorcycle to overturn. The motorcycle was redirected south and the rider was ejected.

The 52 year old male rider was transported to UMC trauma where he succumbed to injuries sustained in the crash. He was later identified as Ronald Serota from Las Vegas, NV.

This marks Nevada Highway Patrol-Southern Command's 20th fatal crash for this year resulting in 21 lives lost.
