Press Conference Advisory

Troopers Step Up Seatbelt Enforcement in Conjunction with Click It Or Ticket Event between May 16th and June 1st.

Click It or Ticket seat belt enforcement will take place on Nevada's roadways between May 16 and June 1. Nevada Highway Patrol will be Joining Forces with local area law enforcement and will step up patrols during the enforcement period to remind everyone to buckle up every trip, every time.

A program of the National Highway Traffic Safety Administration (NHTSA), Click It or Ticket was introduced in 1993. Since its inception, Nevada Highway Patrol has been an active participant in the Event. This year, the emphasis is on having every state coast to coast participate in the enforcement mobilization.

Nevada Highway Patrol Major Andy McAfee will be conducting a Press Conference this Thursday, May 12th at the Grand Sierra Resort (for location see the map below). Your attendance would be appreciated in assisting us getting the word out on this very important program. Because when it comes to crashes, you never get a second chance.

Feel free to contact me if you have any questions.
