Media Release

Vegas Let's Ride Bicycle Rally Spring is in the air and it is a great time to be active!

Whether they are riding for leisure, health or as a primary mode of transportation, you will often see bicyclists traveling on our roadways. At times, bicyclists may not be getting the respect that they deserve on our roadways and they are put in harms way.

On Saturday, March 26, 2016, as part of our Badge on Bicycle campaign, the Nevada Highway Patrol will join in the fun on bicycles at the Vegas Let's Ride Unity Bicycle Rally. The mission of the rally is to bring the Southern Nevada cycling community together and spread the word about riding safe.

The Nevada Highway Patrol will have troopers on bicycles alongside the members of the cycling community not only to join the fun and stay active, but to educate riders as well as drivers about safe driving habits around the cyclists.

We would like to invite our media partners to attend the rally at 7:30am at Lifetime Summerlin parking lot located at 10721 W. Charleston Blvd. Speakers from the cycling community as well as NHP will be available.

The unofficial bike ride will take place at 8:00am on SR159.
