**The Nevada Highway Patrol Joins Forces to Focus on Impaired Drivers**  
*If You're Drinking, Find a Sober Ride or Law Enforcement Will Find One For You*

The Fourth of July remains one of the deadliest holidays on our nation's roadways. Law enforcement agencies statewide are *Joining Forces* to remind motorists and motorcycle riders to have a safe summer and Fourth of July weekend. Law enforcement officers are increasing patrols for impaired drivers and riders between June 30 and July 14, 2017.

**"Buzzed driving is DRUNK DRIVING!"** Reminder – a designated driver is **NOT** the driver that has had the least amount to drink! It **IS** a driver that has not had any alcohol at all!

In efforts to achieve the "Zero Fatalities" goal this holiday season, drivers and riders are encouraged to know the law for blood alcohol levels and to abide by the following guidelines:

- designate a sober driver before drinking;
- use a taxi, call a sober friend or family member or use public transportation if impaired;
- take advantage of local sober ride programs;
- call 911 if a drunk driver is spotted on the road;
- take the keys or assist in making other arrangements for someone who is about to drive or ride while impaired

Be safe, be responsible, get home alive and enjoy the Fourth of July.
