Two Killed in Head-On Collision on Kingsbury Grade

On Tuesday, July 4, 2017 at approximately 9:26pm, Nevada Highway Patrol Troopers were called to respond to SR207 (Kingsbury Grade) approximately 2 miles up from Foothill Road for a serious injury head on crash.

Preliminary investigation shows that a gray 2012 Scion Xb was traveling eastbound down Kingsbury Grade. A white 2013 Ford F150 was traveling westbound up Kingsbury Grade. The driver of the Scion allowed the vehicle to cross over the double yellow lines into the westbound travel lane causing the two vehicles to strike head on.

The driver of the Scion (Thomas William Guard, 52 year old Carson City resident) and the right front passenger (Moriah Ann Williams, 38 year old Carson City resident) both succumbed to the injuries sustained in the crash and were pronounced deceased on scene. The female driver and the male passenger in the Ford F150 were both transported by CareFlight to a Reno hospital with serious, but non-life threatening injuries.

The driver of the Scion and both driver and passenger in the F150 were wearing seat belts. The passenger in the Scion was not restrained. There was also a dog in the Scion that succumbed to injuries from the crash.
