Due to the volume of applications we receive, applications are reviewed in the order they are received and you can typically expect a response within 4-8 weeks of receipt. Human Resources representatives review applications to ensure job prerequisites are met (verified). Please review the job announcement to make sure you meet the minimum qualifications. Incomplete or missing applications will be withdrawn and delay your screening opportunity. Also, unqualified applicants are sent an email by Human Resources that eliminate them from the process.

WHAT IS INVOLVED IN FILLING OUT THE BACKGROUND QUESTIONNAIRE (PHS)?

- Read instructions carefully. Before filling out the PHS, collect all necessary information and documents. Use the required document list as a "checklist".
- Print legibly in blue ink as the instructions state. No typed PHS's will be accepted. Illegible print will not be accepted.
- Ensure the NVDPS and LVMPD waivers are notarized. Even if you have not applied with LVMPD, the waiver must be included.
- Credit reports will only be accepted from Experian, Transunion or Equifax. You can obtain a free credit report once annually. It must include your full history and not just the credit score.
- You must provide all bankruptcy documents.
- Fill in all sections of the PHS. If it does not apply to you, put "N/A". Avoid "Unknown or UNK", as that will raise questions. Make every effort to gather information.
- You must write your driving history on the PHS versus stating "See DMV Printout".
- If you have ever been arrested, involved in traffic accidents or served with a temporary protection order, you must provide a copy of the report, documents, etc. Do not claim a lack of knowledge of a temporary protection order. If you can not get reports or documents on your own, provide details of the incident to include dates, law enforcement departments and courts involved. YOU MUST MAKE AN EFFORT.
- Former active duty military personnel should provide as much documentation as possible. Provide phone numbers of previous commanding officers or Adjunct. If you received a Captain's Mast, or Court Martial, provide the Parent Command contact information.
- If you have been divorced, you must provide a copy of the divorce decree. If there are multiple marriages, a decree must be provided for each divorce. This applies also to all marriage certificates and licenses. Be sure to include all contact information for ex-spouses. DON'T CLAIM YOU DON'T KNOW. Somebody somewhere knows how to get in contact with them.
- Be sure to sign and date all pages that have a signature line. This is critical for Page 20 entailing the Drug Use Questionnaire.
- Disclose all information that is asked for. Do not omit or purposely leave out anything. Even if you think a co-worker, supervisor, ex-spouse, etc. is going to make derogatory comments, you will get the opportunity to tell your side of the story. Any hint of hiding something will possibly be cause for rejection.
- Make sure the PHS is turned in within 2 weeks of receiving.
- Your PHS is a direct reflection of your ability to follow instructions and your integrity.
- If you have any questions, or you need to report changes in addresses, phone numbers, job status, etc. contact the Backgrounds Unit at: backgrounds@dps.state.nv.us

HOW LONG WILL IT TAKE MY BACKGROUND INVESTIGATOR TO CONTACT ME?

Depends. You may be contacted within weeks of turning in your Personal History Statement (PHS) or it may take longer. The Background Unit has a caseload, as do individual Background Investigators. The bottom line is you need to be patient. You will be contacted and your case will be worked, it just may take some time. Contacting us to find

out your status will only delay the process.
