Investigation Continues in Sunday's Fatal Collision on US 50 near Glenbrook

On Sunday, June 9th, at approximately 2:55 pm, troopers from the Nevada Highway Patrol were dispatched to a two-vehicle collision on US Highway 50 at Glenbrook in Douglas County. The preliminary crash investigation details indicate a white 2011 Toyota Corolla 4-door sedan was traveling west in the left or inside lane of the 4-lane highway and driven by 29-year-old Eduardo A. Vizcarra-Sicairos from Lodi, California. His 24-year-old wife, Reyna Vizcarra, was riding in the right front passenger seat.

Traveling eastbound was a blue Hyundai Elantra 4-door sedan being driven by 26-year-old Shanna D. White of Carson City. Shanna had two passengers riding in the vehicle with her; 21-year-old Kellie Kerklay and 21-year-old Katelyn Kraiprai, both from Carson City.

For reasons still being investigated, Vizcarra-Sicairos lost control of his vehicle and it skidded sideways or broadside across the double-yellow line and into the path of the opposing vehicle. The front of the Hyundai struck the right side of the Toyota resulting in fatal injuries to Reyna. She was pronounced deceased at the crash scene. Both vehicles came to rest on their wheels blocking at least two lanes of the highway. Three of the injured were initially transported from the scene by ground ambulance and the other injured motorist was transported by Cal Star's helicopter. Care Flight was initially dispatched to scene and then diverted to the park-n-ride parking lot just west of US 395 in Carson City to meet one of the ambulances where one more patient was airlifted to Reno. All four patients were taken to Renown Regional Medical Center. Shanna and Kellie were treated and released and are recovering at home today while Katelyn and Eduardo are still being treated at the hospital.

Three of the lanes were blocked for several hours while investigators completed their on-scene portion of the investigation. Troopers and deputies from the Douglas County Sheriff's Office assisted with temporary traffic control duties. All travel lanes were cleared and opened at around 7:40 pm. At the time of the crash heavy rain and hail were falling and the highway was very wet and weather may have been one of the contributing factors in this collision.

Trooper Kris Satterwhite of the Major Accident Investigation Team is investigating this tragedy. Anyone with information is encouraged to contact him at (775) 689-4682 or ksatterwhite@dps.state.nv.us regarding case number NHP-130600878.
